

**North East HIV / STD Resource List 2009**  
**Rural AIDS Action Network (RAAN)**

We are pleased to share this resource list with you. If you do not see the form of service you need, we recommend you try **First Call for Help**. Their phone number is **211**.

This list is focused on the county in which your local RAAN Case Management office is located. RAAN serves all 80 counties in Greater Minnesota, so we can also direct you to similar resources in other counties within our region.

Finally, RAAN serves numerous communities who experience prejudice, stigma, or other barriers to service from many social service agencies (for example: Latinos, immigrants, other minorities, the deaf community, or the GLBT community). If you need assistance in languages other than english or with problems unique to your community, we will do our best to provide you with the appropriate referral.
